Protex CICS – 924 X Water Rust Preventer

Protex CICS – 924 X prevent the water corrosion when ferrous metal contact with water

Features

- Rust prevention due to water corrosion
- No surface preparation required after process
- No water disposal problems
- User friendly material
- No additional efforts

Uses

- Submersible & Mono block pumps
- All types of shot blasted casting
- Fire pipes, Closed water storage tanks, water circulation lines etc..
- Water filling machines, process water machines
- Ferrous cleaning materials, all water ferrous metal with water contact

Operating Procedure

Just dose (Protex CICS -924 X) 1 : 7 (DM Water)

Surface preparation

Surface must be non rusted, free from oil, grease, scale, dust, paint or any other foreign particles, the sand blasted, shot blasted or machine surface give best result.

Why PROTEX 924 X - CICS (benefits)

- Pre-softening of water is generally, not required
- Prevents scale and sludge
- No Chromates
- Inhibits multi-metal system
- Increases life of equipments
- Does not affect non-metals

Important

Shake well before every use, When stored in cool dark condition, unopened container of **Protex CICS – 924 X** may be kept for 1 year However, it is advisable to turnover stock on first-in, first-out basis.

All protective cloth including face-mask, respirators, eye-protector, hard-gloves, etc. must be wear by when handling/using **Protex CICS – 924 X**

Please refer our MSDS before use.

Packing: 5, 20, 50 & 210 Ltrs in plastic carbo or barrel

Note:

No liability is accepted for any accidents or damages arising in handling or use of this product PROTEX CICS - 924 X under any circumstances.

All technical data's in this bulletin are based on the test results and are believed to be correct, However since the end use of this product, PROTEX CICS - 924 X (and the manner of storing, handling, application, etc,) are beyond our control, we make no warranty express or implied as to the fitness of use. Results to be obtained from or affects use with respect to those materials. Their use shall be solely by the judgment of and at the risk of the users not withstanding any statement contained in this bulletin.

All information is without engagement.
